

**DECLARATION AND PETITION**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am an original, first and joint inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled **RELEASABLE CORD APPARATUS AND BREAKAWAY END PORTION FOR WINDOW TREATMENTS**, the specification of which was filed on February 12, 2002 and assigned Serial No. 10/074,693.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims.

I acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, § 1.56(a).

I hereby claim foreign priority benefits under Title 35, United States Code, § 119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application of which priority is claimed. None.

I hereby claim the benefit under Title 35, United States Code § 119(e) of the United States provisional application listed below:

(Application Serial No.)

Filing Date

(Pending; abandoned)

I hereby claim the benefit under Title 35, United States Code, § 120/365 of any United States and PCT international application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, § 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application. None.

Wherefore I pray that Letters Patent be granted to me for the invention or discovery described and claimed in the foregoing specification and claims, and I hereby subscribe my name to the foregoing specification and claims, declaration, and this petition.

ASSIGNMENT

WHEREAS, WE, **James J. Hyman** and **Robert S. LeBlanc**, the undersigned inventors (ASSIGNORS), have invented a **RELEASABLE CORD APPARATUS AND BREAKAWAY END PORTION FOR WINDOW TREATMENTS**, for which we filed an application for Letters Patent of the United States on February 12, 2002, Serial Number 10/074,693. We are the joint owners of this application, invention and improvements; and

WHEREAS, **LEWIS HYMAN, INC.**, (ASSIGNEE) is a corporation organized and existing under the laws of the state of California, having a place of business at 860 East Sandhill Avenue, Carson, California 90746-1221, desires to acquire the entire right, title and interest in and to the inventions, applications and Letters Patent to be granted and issued for the inventions and applications;

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) by the ASSIGNEE to us paid, and other valuable consideration, the receipt and legal sufficiency of all of which we acknowledge, we, the ASSIGNORS, have sold and do hereby sell, assign, transfer and set over unto the ASSIGNEE, its successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the application for Letters Patent thereon, in and to applications pertaining to or based upon the inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on the inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all foreign countries, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

And for the above-named considerations, we agree that we will, at the request of the ASSIGNEE, execute any and all applications for Letters Patent for the inventions and any and all other papers and documents and do all other and further lawful acts that the ASSIGNEE may deem necessary or desirable to obtain Letters Patent on the inventions, to secure the grant of such Letters Patent and to perfect and vest in the ASSIGNEE the entire right, title and interest in the inventions, applications and Letters Patent.

And for the above-named considerations, we authorize and empower the ASSIGNEE, its successors and assigns, to apply for and obtain, in its or their own names, Letters Patent for the inventions before competent International Authorities including the World Intellectual Property Office and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or Letters Patent so obtained.
